I. GENERAL POLICY

Workers and employers have the right to life, liberty and property and enjoy the right to political dissent within the bounds of law. The absence of these civil liberties removes all meaning from the concept of workers' and employers' rights, which are better exercised in a climate that is free from violence, pressure or threats of any kind. It is incumbent upon the

GUIDELINES ON THE CONDUCT OF THE DOLE, DILG, DND, DOJ, AFP AND PNP RELATIVE TO THE EXERCISE OF WORKERS' RIGHTS AND ACTIVITIES
